ETHAL VAELOR

Quick Reference • Level 3 High Elf Rogue (Assassin)

AC	14	HP	27 / 27	Speed	30 ft
Initiative	+3	Proficiency	+2	Passive Perception	13

WHAT CAN I DO ON MY TURN?

MOVE	Move up to 30 feet. You can split your movement before and after your action.
ACTION	Usually one action. Attack, Hide, Dash, Disengage, Help, Search, Ready, or another action the DM allows.
BONUS ACTION	You get one when something gives you one. Ethal's most important bonus action is Cunning Action: Dash, Disengage, or Hide.
REACTION	A special response that happens outside your turn when something triggers it. Ask the DM whether you have a reaction available.

COMBAT: THE EASY CHOICES

If you want to...	Try this
Stab someone nearby	**Shortsword:** roll d20 + 5 to hit. On a hit: **1d6 + 3** damage.
Shoot someone	**Shortbow:** roll d20 + 5 to hit. On a hit: **1d6 + 3** damage. Range 80/320 ft.
Throw a dagger	**Dagger:** roll d20 + 5 to hit. On a hit: **1d4 + 3** damage. Range 20/60 ft.
Sneak around	Use **Hide**. Ethal has **+7 Stealth**.
Get away safely	Use **Disengage** as a bonus action, then move away.
Get somewhere quickly	Use **Dash** as a bonus action, then move.

SNEAK ATTACK

Once on each of your turns, when you hit with a **finesse or ranged weapon**, you can add **2d6 damage** if you had **advantage** on the attack OR another enemy of your target is within 5 feet of it (and you don't have disadvantage). **You can only use Sneak Attack once per turn.**

ASSASSINATE

If a creature **has not taken its turn yet**, Ethal has **advantage** on attacks against it. If Ethal hits a creature that is **surprised**, the hit is a **critical hit**: roll the attack's damage dice twice. The DM decides whether a creature is surprised.

ETHAL'S SPECIAL ABILITIES

The things that make Ethal different from an ordinary rogue

CUNNING ACTION

Ethal can use a **bonus action** every turn to Dash, Disengage, or Hide.

DASH	You can move up to another 30 feet that turn.
DISENGAGE	Your movement does not provoke opportunity attacks from creatures you move away from.
HIDE	Try to become hidden. Roll **Stealth +7**. The DM tells you whether you successfully hide.

EXPERTISE

Ethal is an expert at **Stealth** and **Sleight of Hand**: her proficiency bonus counts double for them, so each is **+7**.

HIGH ELF FEATURES

Keen Senses	Ethal is proficient in Perception. Her Perception bonus is **+3**.
Fey Ancestry	Ethal has **advantage** on saving throws against being charmed, and magic cannot put her to sleep.
Darkvision	Ethal can see in dim light within 60 feet as if it were bright light, and in darkness as if it were dim light (shades of gray only).
High Elf	Ethal has an extra language and a wizard cantrip. Her sheet lists **Minor Illusion**.

BEST SKILLS

Skill	Bonus	Use it for...
Stealth	+7	Sneaking and hiding (expertise)
Sleight of Hand	+7	Handling small objects secretly, picking pockets, or similar tricks (expertise)
Acrobatics	+5	Balance, tumbling, and agility
Insight	+3	Reading people and noticing when something feels wrong
Perception	+3	Noticing things with your senses
Persuasion	+2	Talking someone into something honestly: a deal, a favor, a better price
Deception	+2	Lying convincingly, or bluffing your way past someone
Animal Handling	+1	Calming or controlling animals
Medicine	+1	Recognizing injuries and basic medical knowledge
Survival	+1	Following trails, finding your way, and surviving outdoors

EQUIPMENT YOU MIGHT USE

Weapons: shortsword, shortbow, 20 arrows, 2 daggers. **Tools:** thieves' tools, disguise kit, poisoner's kit. **Other useful gear:** crowbar, rope, ball bearings, bell, candles, lantern, oil, pitons, hammer, rations, waterskin, tinderbox. Her sheet also lists a Dragonchess set and a set of bone pipes. **Money:** 15 gold pieces.

MINOR ILLUSION

Ethal's High Elf wizard cantrip • 2014/Legacy 5e rules

Your character sheet uses the older 2014-style rules, so the description below is based on that version. The 2024 rules use very similar mechanics but change some wording and replace the old examination action with the Study action. D&D Beyond lists the 2014 version as Legacy.

Casting time	1 action
Range	30 feet
Components	S (somatic) and M (a bit of fleece)
Duration	1 minute
Type	Illusion cantrip
Saving throw	None when you cast it. A creature examining it can make an Intelligence (Investigation) check against your spell save DC.

WHAT DOES IT DO?

You create either **a sound OR an image of an object** within 30 feet. It lasts for up to 1 minute, unless you dismiss it or cast Minor Illusion again.

OPTION 1: MAKE A SOUND

The sound can be anywhere from a **whisper to a scream**. It can sound like your voice, another person's voice, an animal, a musical or mechanical noise, or basically any other sound you choose. You can make one continuous sound, or make separate sounds at different moments during the minute.

OPTION 2: MAKE AN IMAGE

You can create an image of an **object**, such as a chair, a small chest, or muddy footprints. The image can be no larger than a **5-foot cube**.

The image is visual only. It cannot make sound, give off light, produce a smell, or create another sensory effect. It is not physically real: if someone touches or moves through it, they can discover that it is an illusion.

CAN SOMEONE TELL IT'S FAKE?

If a creature uses its **action to examine** the sound or image, it can make an **Intelligence (Investigation)** check against Ethal's spell save DC. If it succeeds, the creature realizes the illusion is fake, and the illusion becomes faint to that creature. Ethal's Intelligence is 11, so with proficiency bonus +2 her spell save DC is **10** under the 2014 rules.

EASY IDEAS FOR ETHAL

Distract someone	Create footsteps, a knock, a voice calling from around a corner, or another suspicious noise.
Create a visual decoy	Make an image of a small object, a set of muddy footprints, or something else that fits inside a 5-foot cube.
Make someone look the wrong way	A sudden sound can make an enemy investigate somewhere else.
Create a hiding opportunity	An illusion might make a location look different, although it cannot actually block attacks or provide physical cover.

WHEN YOU DON'T KNOW WHAT TO DO

You don't need to know all the rules. Tell the DM what Ethal tries to do!

1	Am I in danger?	Ask: **Can I attack, hide, run away, or get somewhere safer?**
2	Do I want to attack?	Choose shortsword if close, bow if farther away, or dagger if throwing it makes sense.
3	Can I Sneak Attack?	Ask: **Do I have advantage, OR is another enemy within 5 ft of my target?** If yes, add 2d6 once this turn.
4	Would hiding help?	Use **Hide** as your bonus action and roll Stealth +7.
5	Am I too close to an enemy?	Use **Disengage** as your bonus action before moving away.
6	Do I need to move fast?	Use **Dash** as your bonus action, then move.
7	Is this not a fight?	Tell the DM exactly what Ethal tries to do. The DM will tell you what to roll, if anything.

WHAT DO I ROLL?

Attack	Roll d20 + the weapon's attack bonus. Ethal's listed weapons are +5.
Damage	Only roll damage after you hit. Shortsword/shortbow: 1d6+3. Dagger: 1d4+3.
Sneak Attack	If its condition is met, add 2d6 damage once on your turn.
Skill check	Roll d20 + the bonus for the skill the DM asks for.
Saving throw	Roll d20 + the appropriate saving-throw bonus. Ethal's listed bonuses are Str +0, Dex +5, Con +2, Int +2, Wis +1, Cha +0.

ETHAL'S ROLEPLAYING CLUES

- She does not trust people until she knows them really well.
- She is learning to make weapons and really cares for her own weapons.
- She believes in integrity: always keeping her word.
- She cares about Sunny, her fennec fox.
- Her flaw is that when she sees something, she may immediately start thinking about how she could take it.
- She's the crew's **quartermaster**: she keeps the ship's purse and the stores, and handles the bargaining.

THE GOLDEN RULE: There is almost never only one thing you can do. If you have an idea, tell the DM! They can decide whether it works and what roll you need.
